Dear Lou,

Many thanks for the copy of the opening statement, which arrived today.

As soon as there is time, I'd appreciate a Xerox of the testimony about the literature distribution and the arrest: Wineman, Day, Martello, etc. It would be helpful and speed things up, in the event this will again come up, if a copy were also to be sent to Paul Koch, 2537 Regent St.,#202, Berkeley, Calif. 94704.

It is possible some of this testimony and the exhibits may be of interest.

Sincerely,

Harold Weisberg

Paul- bearing on our earlier inquiries, Steele said the return address on some of what he gave out was either Camp or Magazine St.

If and when Lou has this sent, could you please send a copy to Gary?

I did mail the material Gary got to you this a.m., but not until after I left the P.O. did I recall I forgot to have it go "Special Handling", which had been my intent. It is insured for $100.00. Seven inches snow, 50-mile winds. Brrr!
